SUBJECT: RETIREMENT

I am excited to formally announce my pending retirement in March 2022. In order to implement a successful transition plan, the County CEO assigned Daniel Munoz, County Deputy Executive Officer, as the interim EMS Administrator. I am stepping into the transition role of providing historical context of the EMS system.

I will be supporting the transition by involving Daniel and Amber Anaya, the new Assistant EMS Administrator, in my day-to-day meetings and other ongoing activities to assure the best transfer of information and help ensure a smooth transition.

I would also like to take this opportunity to thank every member of this EMS system for the work they do every day and the support I have received over the years to continuously evolve this great EMS system. I would also like to take the opportunity to congratulate Amber for achieving her new position.

Thank you for the support I have received and ask that you extend the same to Daniel and Amber as well.
