## **BACKGROUND INFORMATION**

Mono County is divided into 4 total Operating Areas (EOAs) designated as urban, rural, or wilderness areas. Ambulance services are provided by Mono County EMS (MCEMS). Each EOA is serviced by an ALS unit 24/7.

ICEMA provides a detailed methodology for assurance of compliance by MCEMS with all ICEMA policies and procedures with an emphasis on response time compliance. Response time reporting is by way of MCEMS user data input into ICEMA's data system ImageTrend electronic Patient Care Report (ePCR) software.

### **Term of Agreements:**

MCEMS provides EMS services under 1797.224 which "grandfathered" MCEMS EOAs 1-2 without the requirement for periodic bids for service zone exclusivity.

### **Responsibilities of Providers:**

#### Personnel and Equipment:

- Provide all necessary personnel, equipment, and materials to ensure availability and EMS response on a continuous 24-hour basis
- Staffing: ALS units – one paramedic and one EMT per unit; BLS units 2 EMTs per unit; CCT units in accordance with ICEMA policy
- Develop and maintain personnel, including plan for immediate recall of personnel, and patient care policies
- Provide in-service training to employees
- Ensure courteous conduct and professional appearance
- Ensure proper state licensure and ICEMA accreditation/certification
- Ensure all personnel comply with ICEMA QI Plan

#### Coordination with other providers:

##### First responders (fire agencies)

- Develop and initiate mutual aid agreements by May 1, 2005
- Develop and maintain a first responder orientation program
- Coordinate and work under the Incident Command System
- Make available to first responder personnel continuing education programs

#### Police Chiefs and County Fire Chiefs Association:

- Provide an administrative representative or designated to attend meetings upon reasonable request

#### Mutual Aid:

- Respond to requests from neighboring jurisdictions to the extent resources are available
- During disaster response, commit necessary and appropriate resources

#### Quality Improvement:

##### Medical Control:

- Adhere to all ICEMA policies, protocols, applicable county ordinances, state and federal laws
- Adhere to standards of medical control established by ICEMA
- Provide a physician medical director to work with ICEMA Medical Director to ensure compliance with established clinical standards (not required of rural/wilderness providers)

##### Response time standards:

- Compliance measured and calculated monthly based upon user input via ePCR data submission.
- Cancelled calls included in determining compliance; supervisory support vehicles are not included for the purpose of determining compliance
- Submit monthly each instance when a call results in exceeding maximum response time standard

##### Data Collection and Reporting:

- For each patient, an ICEMA approved ePCR form must be completed
- ICEMA now requires all EMS Providers to begin utilizing ImageTrend's ePCR as the only acceptable standard
- Submit accurate and complete data monthly, including CAD data, for each response and patient care data as specified by ICEMA approved electronic data collections and submission format
- IMAGETREND ePCR SOFTWARE - IMPLEMENTATION
- Currently, MCEMS (this only provider) is using the ImageTrend software

#### Emergency Medical Dispatch:

- Mono County currently does not utilize CAD technology in dispatching EMS resources. Therefore, data used for analysis is queried through ICEMA's data system which relies on provider user input via ePCR

#### Deployment Plan:

- Plan reviewed by ICEMA on an annual basis or as any material changes occur

#### User fee rate adjustments:

- Rates may be adjusted pursuant to process defined in ICEMA policy 5080

#### Indigent Transport Services:

- Shall provide service pursuant to provider agreements

#### End Term Provisions:

- Provider to continue to provide service during transition period
- Provider accepts periodic bid competition (urban contracts)

#### **Management / Monitoring Fee:**

An annual management/monitoring fee has not been implemented in Mono County due to financial consideration, i.e. to low volumes and volunteer status of most providers.

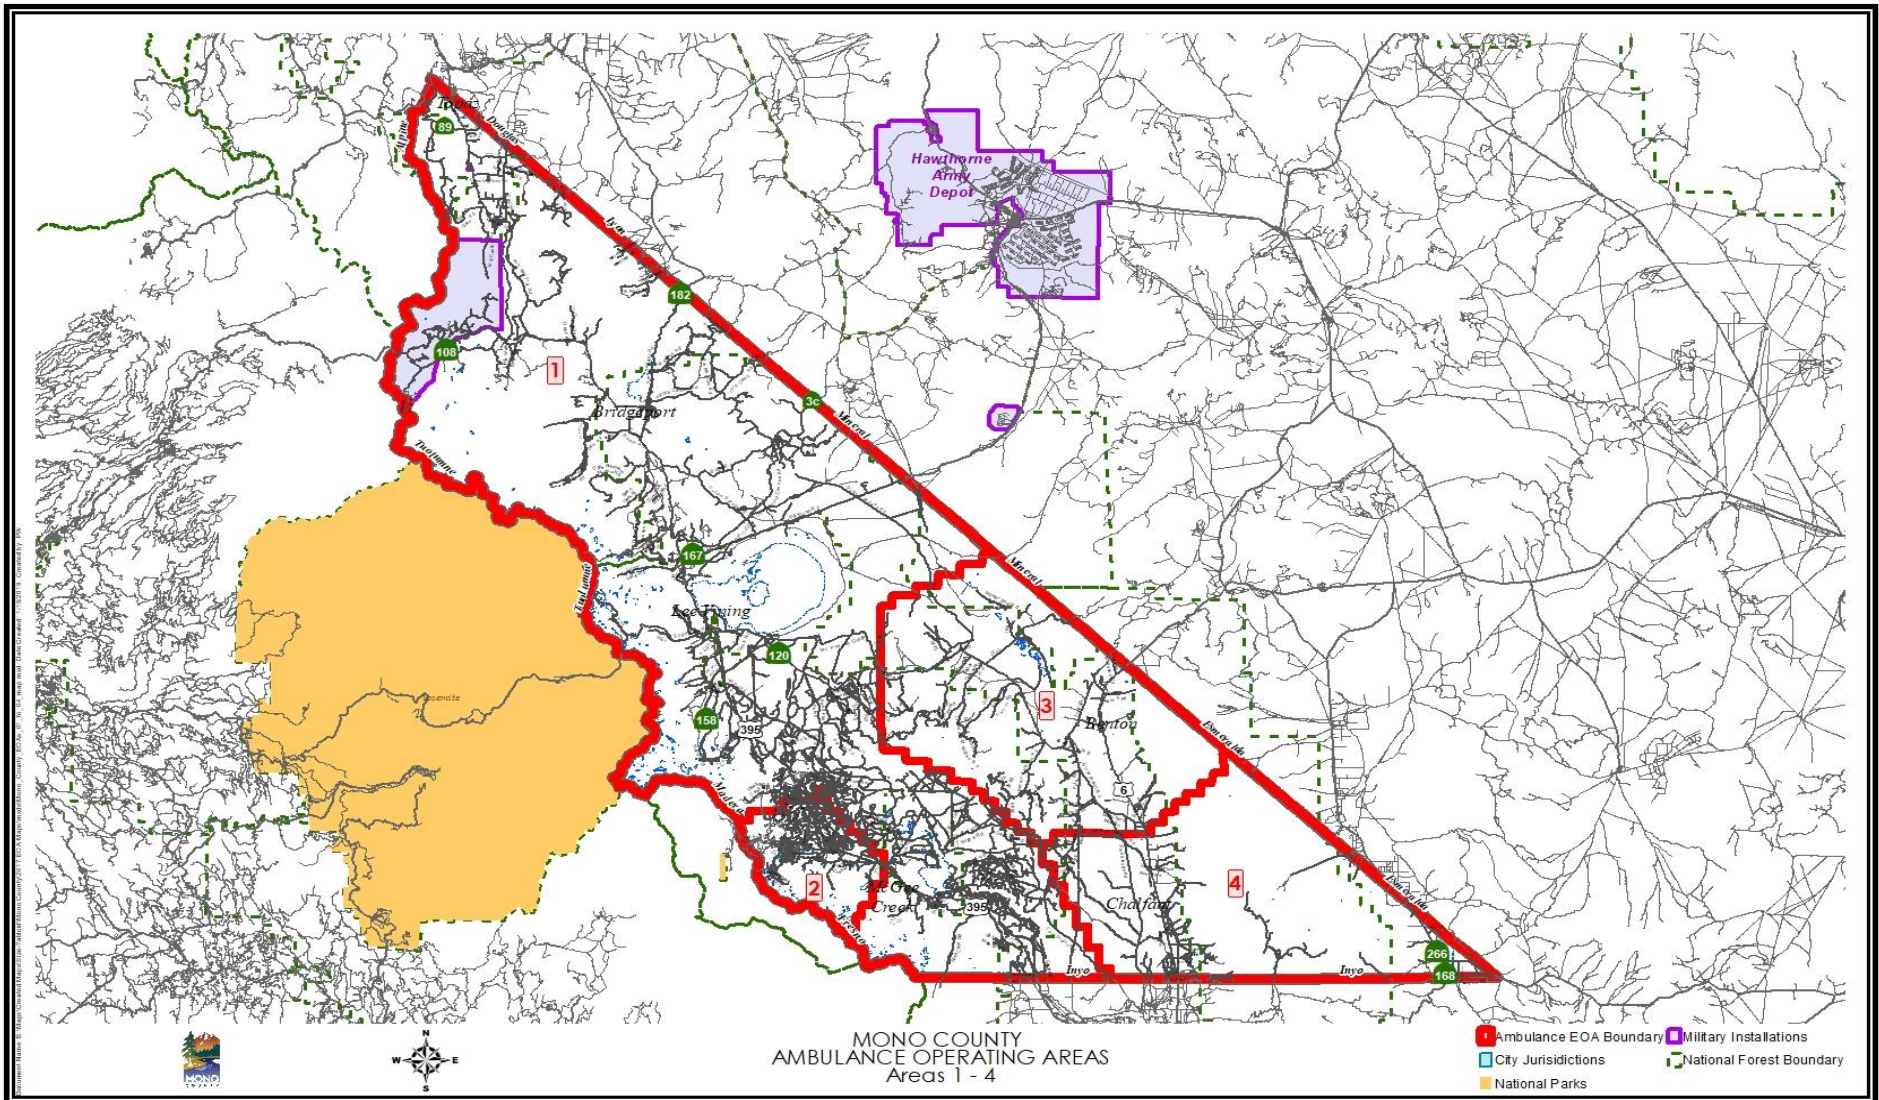

## **Liquidated Damages / Assessments:**

Liquidated Damages / Assessments have not been implemented in Mono County due to financial consideration, i.e. low volumes and volunteer status of most providers.

The assessments and expenditures associated with ICEMA's performance based contracts: Management/Monitoring Fee, Liquidated Damages and Critical Failure Fines are included in ICEMA's Governing Board approved annual budget.
